Under the provisions of HIPPA and under the Illinois Mental Health and Developmental Disabilities Confidentiality Act, authorization for use/disclosure is voluntary. Individuals are not coerced into signing an authorization but provide the information freely. Once information is received by the authorized organization or person then it may be subject to re-disclosure by the recipient and may no longer be protected by federal privacy laws. Information is protected under Illinois Law and may be subject to re-disclosure by the recipient only if permission for the re-disclosure is obtained. This authorization will be valid for 180 days after the date of signing and limited to only that information. I have requested above to be sent to the facility/person named herein and that it not be further disclosed or used for any purpose other than as stated in this authorization. Any person who discloses mental health records and communication without proper consent/authorization may be subject to civil liability or criminal penalty according to 740 ILCS et seq.
