

Community Support During COVID-19 Outbreak

Northwest Community Healthcare

An important way our community can help join us in this fight is by making a charitable gift to the NCH Foundation at nch.org/donate. We have established two funds where 100% of the money raised will be used to assist patient care and to support our staff.

Community Cares

Palatine Assisting Through Hope Clothing Closet, All Saints Food Pantry and Northwest Community Healthcare are collaborative partners in this pantry that provides food, clothing and other essential items to community members in need. Please consider supporting the pantry financially so that greater quantities can be purchased from the Greater Chicago Food Depository or by providing donations of gift cards and grocery items.

Financial donations should be made by check and mailed to:

All Saints Lutheran Church

630 South Quentin Road

Palatine, IL 60067

(Please note Food Pantry in the memo line)

Gift card and grocery donations should be delivered to:

The Community Resource Center

1585 N. Rand Road

Palatine, IL 60067

Donations accepted on Thursdays from 10am-12pm and Saturdays from 8-11am.

Drive up to side door for drop-offs

Most needed items include: \$10 Jewel gift cards, peanut butter, rice, cereal, dry pasta, canned fruit, diapers and toilet paper. No clothing donations accepted at this time.

Journey's The Road Home

Unfortunately, most emergency PADS shelter sites have had to close. Please consider supporting Journey's by making a financial contribution or by purchasing much needed items through their Amazon wish list. A donation of \$75 will house an individual or family for one night in a hotel. Information about both options can be found at:

journeystheroadhome.org

Supply Donations

Donations of medical supplies are greatly appreciated. Items most needed include: N95 masks, hand sanitizer, eye protection, disinfectant wipes, anti-microbial soap and other medical supplies. Please direct all inquiries to supplydonation@nch.org or call 847-618-0252, Mon-Fri 8am to 4:30pm.

Meals and Other Donations

If you would like to provide meals for our healthcare workers or have donations of other items or special offers (discounts on food, services, etc.) for staff support and recognition please email givecovid19@nch.org or call 847.618.GIVE
