

Community Support during COVID-19

NORTHWEST COMMUNITY HEALTHCARE

An important way our community can help join us in this fight is by making a charitable gift to the NCH Foundation at nch.org/donate. We have established two funds where 100 percent of the money raised will be used to assist patient care and to support our staff.

COMMUNITY CARES

Palatine Assisting Through Hope Clothing Closet, All Saints Food Pantry and Northwest Community Healthcare are collaborative partners in this pantry that provides food, clothing and other essential items to community members in need. Please consider supporting the pantry financially so that greater quantities can be purchased from the Greater Chicago Food Depository or by providing donations of gift cards and grocery items.

Financial donations should be made by check and mailed to:

All Saints Lutheran Church
630 South Quentin Road
Palatine, IL 60067
(Please note "Food Pantry" in the memo line)

Gift card and grocery donations should be delivered to:

The Community Resource Center
1585 N. Rand Road
Palatine, IL 60074

Most needed items include: \$10 Jewel gift cards, peanut butter, rice, cereal, dry pasta, canned fruit, diapers and toilet paper. No clothing donations accepted at this time.

CLEANING SUPPLY DONATIONS

Help us provide cleaning supplies to under-resourced patients for their homes, including:

- Spray disinfectant
- Bleach
- Gloves
- Hand soap
- Hand sanitizer
- Buckets
- Masks

Please direct inquiries to KBaker@nch.org or call 847-618-5570.
