

**Northwest Community Hospital  
Richtlinie für finanzielle Unterstützung  
Anhang 1 – Liste der Anbieter/Arztpraxen  
October 1, 2023**

Im Einklang mit den Werten des Northwest Community Hospital, nämlich Mitgefühl und Verantwortungsbewusstsein, verfolgt das Northwest Community Hospital den Grundsatz, bedürftigen Patienten finanzielle Unterstützung zu gewähren. Die Richtlinie zur finanziellen Unterstützung (Financial Assistance Policy, FAP) gilt für alle Notfallbehandlungen oder medizinisch notwendigen Behandlungen, die vom Krankenhaus erbracht werden, ist jedoch nicht bindend für andere individuelle Anbieter (z. B. Ärzte) medizinischer Dienstleistungen außerhalb des Krankenhauses. Auch ist sie nicht bindend für einen Anbieter, wie z. B. bei einer Änderung des Beschäftigungsverhältnisses mit dem Northwest Community Hospital oder einer Änderung des Tätigkeitsbereichs. Da sich die in dieser Liste aufgeführten Ärzte und anderen Anbieter von Zeit zu Zeit ändern können, wird das Northwest Community Hospital mindestens vierteljährlich eine neue Version auf seiner Website ([www.nch.org/billing-insurance/financial-assistance](http://www.nch.org/billing-insurance/financial-assistance)) veröffentlichen.

Die Northwest Community Hospital FAP gilt für alle Ärzte/Anbieter der Northwest Community Hospital Medical Group. Nachfolgend finden Sie eine Liste der unabhängigen/nicht angestellten Leistungsträger, die Notfallbehandlungen oder andere medizinisch notwendige Behandlungen in den Krankenhauseinrichtungen des Northwest Community Hospital durchführen, jedoch nicht durch diese Richtlinie abgedeckt sind. Kopien dieser Liste sind online unter [www.nch.org/billing-insurance/financial-assistance](http://www.nch.org/billing-insurance/financial-assistance) oder auf Anfrage in der Notaufnahme und im Anmeldebereich des Krankenhauses sowie per Post unter der Nummer (847) 618-4549 erhältlich.
