Northwest Community Hospital
Política de asistencia financiera
Anexo 1: Lista de proveedores/médicos
January 1, 2023

De acuerdo con los valores de compasión y buena gestión de Northwest Community Hospital, es política del hospital brindar asistencia financiera a los pacientes que la necesitan. La política de asistencia financiera se aplica a toda la atención de emergencia o necesaria desde el punto de vista médico que brinda el hospital, pero no es vinculante para otros proveedores individuales de servicios médicos (por ejemplo, médicos) fuera del hospital. Tampoco es vinculante para un proveedor en caso de, por ejemplo, un cambio en su relación laboral con Northwest Community Hospital o un cambio en el ámbito de ejercicio. Por lo tanto, debido a que los médicos y otros proveedores incluidos en esta lista pueden cambiar cada cierto tiempo, Northwest Community Hospital la actualizará y publicará una nueva versión en su sitio web (www.nch.org/billing-insurance/financial-assistance) cada tres meses como mínimo.

Todos los médicos/proveedores de Northwest Community Hospital Medical Group están cubiertos por la política de asistencia financiera de Northwest Community Hospital. A continuación se incluye una lista de los proveedores independientes/no empleados que brindan atención de emergencia u otra atención necesaria desde el punto de vista médico en las instalaciones hospitalarias de Northwest Community Hospital que no están cubiertos por esta política. Hay copias de esta lista disponibles en línea en www.nch.org/billing-insurance/financial-assistance o previa solicitud en el departamento de emergencias y las áreas de registro del hospital y por correo llamando al (847) 618-4549.
