

Individual Consultations Include

- Assistance with Wig Selection
- Professional Wig & Head Covering Information
- Wig Care Instructions

NCH volunteers are ready to serve our patients and they understand the anxiety that a woman experiences with hair loss due to cancer. They will take the time to answer questions and help you find the best style wig for you. There are various styles and colors to provide choices to make a selection that looks best for you. We are by appointment only. Due to COVID restrictions, only 1 additional person may accompany you at the appointment.
